As the sands of life drift slowly through the hour glass of time, may you look back to the wonderful days spent at Clarke. If the 1961 SEER can aid you in recalling the Christian atmosphere of Clarke, and of bringing back a breath of fellowship we had as students of the Master, then we the Annual Staff will feel that our goal has been reached.

"Remember now thy Creator in the days of thy youth..."

A training ground for future Christian Leaders....

Where minds are molded into workshops of progress...

Where hearts are strengthened to find the pathway to new horizons...

# DEDICATION

The Annual Staff of 1960-61 dedicates THE SEER to REV-EREND J. B. COSTILOW, Counselor, Teacher, Parent, Friend--to past, present, and future students.

A man who, for every student at Clarke College, is always near enough to talk over a problem, pray over a burden, rejoice over a happiness---

Who, in the middle of a dismal, rainy day, with his smile and cheerful greeting, can make you think the sun is shining---

Who, because of his Christlike character, has acquainted you with real Calvary love--

Who, because of his loyalty to his Lord through his calling, has made you seek a Purpose for your life--

Who, after a deeply moving Spiritual experience in Singspiration or Morning Watch, on Mission Band, a B.S.U. Convention or retreat, a Missions Conference, will return your tearful gaze with tears in his eyes--

Who, upon your coming to know and love him, caused you to pray,

"Make me a part of all that I have met, because I have met this man."

Dr. John Franklin Carter is the author of a new book entitled A Layman's Harmony of the Gospels. For many years his book Harmony of the Gospels With Notes has been used in colleges and churches through-out this territory. The new book is the result of a complete re-writing of this valuable material and is designed to appeal to college students, Sunday School teachers and others eager to obtain a working knowledge of the Bible. It will prove especially helpful to laymen who have not had the benefit of college-level Bible study.

The book came from the Broadman Press in February of this year.

Dr. Carter understands students for he has worked with them for forty years, most of the time teaching Bible. Being especially interested in language study, he has also enjoyed teaching English, Latin and Greek.

Clarke College students are rejoicing in the opportunity to study this splendid Bible treatment under the author himself who has been an inspiration to many students.

# PRESIDENT'S MESSAGE

From many areas you came to us;

We had not known you before.

Yet after only a little while

It seems that we have known you always.

For you have become a part of us,

And we a part of you.

You go from us in widely diverse paths --

To further training, and then to worthy work

In many fields around the world.

And as you go, we of Clarke go with you.

As you serve, we like to think we have some part

In that fine service;

Thus there comes to all of us

A sense of satisfaction in the thought

That you have become a part of us,

And we a part of you!

WL Compere

# DEAN'S MESSAGE

Our students are dedicated to the task of preparing themselves so that they may fulfill God's purpose in their lives. Our faculty and staff endeavor to inspire, teach, and guide in such a manner that students will strive to reach their potential.

In our work together may we always honor and glorify Him Who gives us our abilities.

## Alma Mater

Joyfully we sing to Clarke, Scene of many happy days, With the glow of fellowship Bright'ning all our ways;

Triends and comrades old and new Blend in mem'ry's golden hue, Ties of love so strong and true, Joyfully we sing to thee.

Gratefully we sing to Clarke,
Pledge our love and loyalty,
Holding high the light of Truth,
Truth which makes men free.

For the vision clear and sure,

For the faith which shall endure,

For the courage to be pure,

Gratefully we sing to thee.

-- John S. Compere
